"I'll always remember the day I broke
ninety, I had a few beers in the clubhouse
and was so excited I forgot to play the
back nine." - Bruce Lansky

Dear Friend of the Community
and/or Business Owner,

We are excited to announce that Virtua Foundation has again been selected as beneficiary of this year's Ott's Restaurants Annual Golf Tournament. All proceeds from this tournament will support the Tyanna Barre O'Brien Breast Care Comfort Fund at Virtua. Ott's expects at least 150 participants to be "putting" around with us on October 6th at Ramblewood Country Club in Mt. Laurel, and we hope you will join us in supporting a worthy cause!

Through your generous support, we aim to:

- Generate meaningful funds that support patients undergoing breast cancer treatments at Virtua
- Promote better health through education programs for breast cancer patients
- Assist uninsured patients in affording prescriptions, transportation to and from treatment, and scarves or hats for women undergoing breast cancer treatment

In an effort to make this event successful, we respectfully request any contribution/donation for our fundraiser. Donations that exceed \$125.00 will guarantee your business as a hole sponsor. Any type of contribution will be greatly appreciated.

If you participated in last year's successful event by either sponsoring a hole or donating a gift, we thank you and hope you can do the same this year. If we missed you last year, we would love to have you join our team in the fight against breast cancer.

If you can help our cause, please mail any donations to the address listed below by September 25, 2014. Gifts in kind, such as baskets, will be used to help support our cause the night of the event. If there is an item to be picked up, please let us know and we will be more than happy to coordinate.

For any questions, please contact Courtney or a manager at any of our locations. Thank you very much for your time!

Sincerely,
Ott's Restaurants
